EDUCATION AND ACADEMIC ACHIEVEMENTS

American University in Bulgaria (AUBG)

2017-2022

Major: Computer Science 4/4, Minor: Mathematics 3.83/4

Awards

During studies:

- **ICPC Europe Regionals** - Honorable Mention in 2021, Participant in 2019
- **Bulgarian National Programming Competition** - 2nd Place in 2021, 4th Place in 2020
- **Bulgarian Inter-University Programming Competition** - 2nd Place in 2021, 4th Place in 2020
- **AUBG Annual Programming Competition** - 1st Place in 2020, 3rd place in 2021, 2019, 2018
- **President's List** - 2018-2022

Notable Courses

Algorithms, Calculus 3, Software Engineering, Computer Architecture, Numerical Analysis, Math Stats, Linear Algebra.

EXPERIENCE

Software Engineer

Mar 2020 – Present

The HUB NGO, Unimorph Project, Rapihire, Memeonaire, Myriadcore, InspectHOA

Freelancing

- Worked fullstack in different complex projects and become familiar with a lot of new technologies, but most importantly, learned how to adapt with changes during development and how to handle client requests with professionalism.

Software Developer, Internship

May 2017 – Aug 2017

cData Software Albania

Tirana, Albania

- Building Rest APIs.

SELECTED PROJECTS

Rapihire Job Market | *Django, React, MySQL*

Jan 2021 - Jan 2022

Rapihire is the online matching marketplace for employers and job seekers.

rapihire.com

Unimorph Language Processing Web | *Django, React, PostgreSQL*

Fall 2020

An intuitive web app to access Unimorph linguistic data for nearly 110 languages.

unimorph.ethz.ch

Programming Contest Organizer | *University*

Nov 2019

Prepared and supervised a Programming Competitions for fellow students in my university + Tutorial.

More implementations of algorithms/projects on my GitHub.

github.com/l4z0-space.

PROGRAMMING TECH

Languages: C++, Python, JavaScript, C-sharp, Java, PHP.

Tools: Django, Flask, React, Express, CakePHP, React Native.

INTERESTS

Interests: Hard Algorithm implementation, Compilers theory, Optimization problems, competitive programming, website development.

Hobbies: Football, Running, Hiking.
